ADVITYA 2023

AdVITYa, the **annual technico-cultural fest** of VIT Bhopal, once again showcased its diverse talents and cultural heritage. Commencing on **8th February** and concluding on **10th February**, this three-day extravaganza attracted students to participate in numerous cultural and technical events.

Featuring an array of artistic events, such as **dance competitions, music performances, dramatics, literary events, sports, gaming**, and fun-filled activities, AdVITYa had something for everybody. The fest served as a platform for students to display their talents, compete with peers, and learn from renowned artists and performers through **workshops** and interactions with industry experts. AdVITYa is more than just a cultural fest—it is a celebration of diversity, creativity, and innovation that encourages students to embrace their culture, explore their passions, and acquire new skills.

AdVITYa 2023 commenced on 8th February with an **inauguration ceremony** featuring **Prof. (Dr.) V. Vijayakumar, Vice Chancellor of National Law Institute Bhopal**, as the **chief guest**. In his speech, Dr. Kumar talked about the importance of co-curricular activities alongside academics and the need for universities to organise fests that promote cultural exchange among students.

Dr. U Kamachi Mudali, Vice Chancellor, **Dr. A Senthil Kumar**, Pro-Vice Chancellor, and **Dr. Pradyumna Yadav**, Registrar, of **VIT Bhopal University**, conveyed a cordial welcome to the dignitaries and over **2,000 participants** from around the nation. The opening ceremony showcased mesmerising **dance** and **singing performances** that captivated the audience, setting the tone for the fest's success.

The **valedictory ceremony** began with the Tamil Thai Valthu, followed by a cordial welcome address by **Dr. George Chellin Chandran**, director of student welfare. Student Council members presented the **Vice Chancellor, Pro-Vice Chancellor, and Registrar** with **tokens of appreciation**. Assistant Directors of Student Welfare, **Dr. Anant Kant Shukla** and **Dr. Manisha Singh**, expressed their gratitude towards the participants, teachers, and volunteers for making this edition of AdVITya an unforgettable event.

AdVITya 2023 was a great success thanks to the organisers, faculty members, volunteers, and participants. The enthusiasm and passion for cultural exchange and innovation were palpable throughout the event, emphasising the importance of **co-curricular activities** in promoting **holistic learning** and **personal growth** among students.

SHIRLEY SETHIA CONCERT

On **February 10, 2023**, AdVITya'23 concluded with a **spectacular concert** at the college football field that featured **Ms. Shirley Setia**. The event was a massive hit, with over **1,500 attendees** who relished this musical extravaganza.

Before the arrival of Ms. Setia, the arena buzzed with **upbeat music**, setting the perfect tone for the evening. The excited audience **welcomed** her with **thunderous applause** and **cheers** as the brilliant vocalist graced the stage.

Ms. Shirley Setia, a **New Zealand-born Indian singer** and actress, rose to fame through her YouTube channel. She is known for her soulful voice and captivating stage presence and has produced numerous chart-topping singles and collaborated with other notable artists over the years. The **concert** was a **delightful blend** of heartfelt **melodies** and **high-energy party numbers**, creating an **emotional roller coaster** that captivated the crowd.

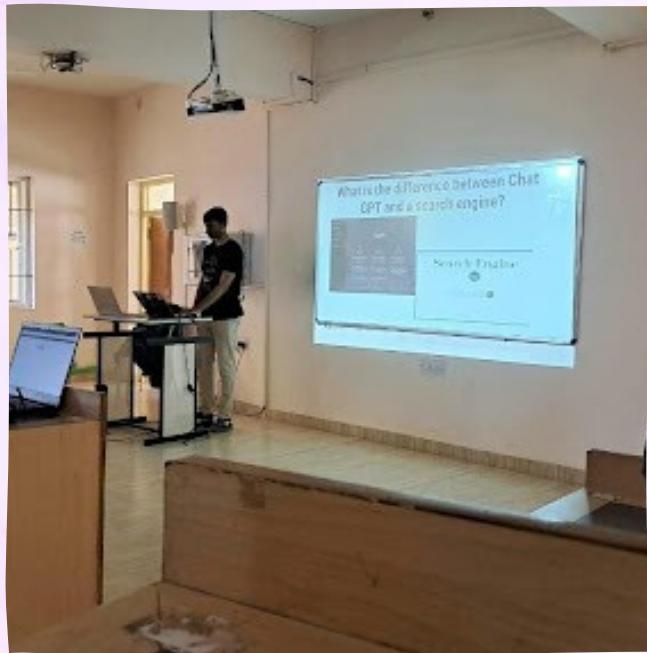

Fans enthusiastically joined the singing sensation, transforming the night into a **memorable sing-along**. Adding to the **enchanting experience** were the **delicious food** and **artistic kiosks** situated at the venue's periphery.

As the night drew closer, **Ms. Setia** bid her fans a heartfelt **farewell**. Her **electrifying performance** ensured that **AdVITya'23 ended** on a **high note**, leaving the audience enthralled and eagerly awaiting the next edition of this incredible college fest.

GDSC ML TALKS: DATA COLLECTION AND GOING BEYOND KAGGLE

On **February 9th, 2023**, the **Google Developer Student Clubs** at VIT Bhopal hosted the '**GDSC ML Talks: Data Collection and Going beyond Kaggle**'. Several guest speakers graced the stage of the hybrid event held at **AB 105**. **Mr. Vishesh Tripathi** provided a detailed overview of **TensorFlow** and its **implementation roadmap**. **Mr. Hemanth Sai** explained the intricacies of **GitHub repositories** and **Selenium**.

Mr. Sayan Saha continued the lead by introducing **Kaggle** to the audience. **Mr. Sai Venkatesh** listed **Kaggle's drawbacks** and suggested workarounds. **Mr. Vaasu Bisht** explained the implementation of **BS4**. Finally, by acknowledging various data types, **Mr. Shantanu Verma concluded** the event.

Participants received **insights** into the subtleties of **data collection** and the **skills** needed to master the **tools**.

The event covered several topics like **Data Collection**, the Functioning of **Chat GPT**, **Web Scraping**, and **Web Scraping Tools** to provide attendees with a complete understanding of the domain.

NAVIGATING CYBERSECURITY AND CLOUDING INSIDE OUT

The **TechnoMech club** of VIT Bhopal hosted an online webinar titled "**Navigating Cybersecurity and Clouding Inside Out**" on **February 10th, 2023**.

The guest speaker at the event was **Ms. Priyanka Giri**, a **Software Developer Intern** at **Palo Alto Networks**.

She shared **valuable insights** about her professional journey, discussed **technological trends**, and provided **career roadmaps** during the webinar.

The event included a **Q&A session** where the attendees interacted with the speaker. Almost **300 students** registered for the event and **gained valuable knowledge** and **guidance**.

TECHTRIX

On **February 10th, 2023**, the **Health-O-Tech** club hosted an event titled **TECHTRIX** at the **Lab Complex F-101**.

The event consisted of **three phases**: **Whisper Challenge**, **Pyramid Scheme**, and **Kaun Banega Luckpati**.

Contestants had to **advance** through the **three** above-stated **rounds** in order to **compete** in the **grand finale**.

The **winning team** of the event comprised **Khushi Shiva** (22BSA10043), **Ashu Kumar Nanda** (22BAI10180), and **Kaushal** (22BCG10055). The team led by **Antariksh** (22BCY10168), **Fateh Inder Singh** (22BCE11276), and **Aryan Kumar** (22BCE11389) earned the **second position**. **Vipransh Anand** (22BCE11174), **Audit Singal** (22BAI10074), and **Piyush Shivnani's** (22BCE11185) team came **third**. The event was a huge success and provided an excellent platform for participants to showcase their talents.

SNAPCHAT LENS STUDIO WORKSHOP: CREATING AUGMENTED REALITY

On **February 8th, 2023**, the **Health Informatics Club (Health-O-Tech)** organised a **Snapchat Lens Studio Workshop** on creating **augmented reality**. The event took place in **AB-512**, with a **hybrid** mode of participation.

The speaker at the event was **Mr. Bhavyajot Singh Chaddha**. He is an **expert trainer** and has conducted several workshops in this domain. The workshop comprised **two stages**: the **learning stage** and the **assignment stage**. Participants learned how to use **Snapchat AR Studio** to create **Lenses & Geofilters** in the **first stage**. Followed by that, participants were **allotted 20 hours** to **develop** a **Snapchat filter**. **Ms. Harshita Seth** (20BCE10361) emerged as the **winner** of the Lens Making Competition. Students enthusiastically and **actively participated** in the event and **gained invaluable knowledge**.

CWC-CyHUNT

The **Cyber Warriors Club** at VIT Bhopal hosted a thrilling technical event named **CyHunt**, at **AB-209** on **8th of February**.

The event comprised **two phases**. **Phase-1** had **20 teams** participating, of which **fifteen qualified** for phase two. **Phase-2** consisted of **six vulnerable machines**, where participants had to **identify bugs** and **hazards**, exploit the machines, and get access to the system.

Teams competed against one another to progress through successive rounds, which covered crucial **cyber-security topics** like **cryptography, blockchain, gaming security, and cloud security**.

The two teams with the highest scores emerged as winners. **Shanu Shekhar Giri** (22MEI10031), **Ujjwal Kaul** (22MEI10032), **Vansh Malhotra** (22MEI10078), and **Pranav Chaturvedi** (22BCY10279) secured the **first prize** of **₹1200 Amazon Voucher**. **Tuhin Bose** (20BCY10223), **Sanskars Burman** (20BCY10097), **Anant Bhartiya** (20BCY10058), and **Aadil Haidar Ali** (20BCY10070) won the **second prize** of **₹800 Amazon Voucher**.

Cy-VITYA

The **Open Web Application Security Project (OWASP)** club at VIT Bhopal held its highly-anticipated **CyVITYa** event on **February 15th, 2023**. The event aimed to **educate** students about the foundations of **OWASP** and its **significance** in the technology industry.

During the introduction to the Speaker session, the organisers introduced **Mr. Urvesh Thakkar** as the **guest speaker** for the event. He **shared** his **extensive experience** in the field and delivered a **lecture** on topics related to **OWASP**.

A Q&A session followed where participants could ask questions and clarify their doubts. After the Q&A session, the event organisers expressed their gratitude by giving a **Vote of Thanks** and conveyed their heartfelt **appreciation** to both the attendees and the speaker for their valuable contributions. Lastly, the attendees participated in the **Treasure Hunt session** from **12:00 PM to 1:00 PM**, which brought them together and **enhanced** their **learning experience**.

PROBLEM SOLVING CONTEST

On **February 8th, 2023**, the **CloudZone club** of VIT Bhopal organised an offline **Problem-Solving Contest**. Teams of two people each could participate in the event held at **AB-306**.

The competition began with several **problem statements** that demanded **creative problem-solving**. The participants then had to **solve** the problems within the **allotted time frame**.

After an intense competition, **Siddhant Jaiswal** (22BEY10132) and **Aviral** (22BCE10053) emerged as the **winners**. **Sarfaraj Ansari** (22BAI10129) and **Riya Dadlani** (22BCY10280) secured the **second** position, while **Alan K Biju** (22BSA10275) and **Abheet Seth** (22BCY10162) grabbed the **third** spot.

The event tested participant's **problem-solving skills** and allowed them to show off their **competitive spirit**.

TECHZILLA

The **Mozilla Firefox club** at VIT Bhopal organised **TechZILLA 2023**, a **two-day** panel-based **technical event** conducted in **hybrid mode**, on **February 8th and 9th, 2023**. The event took place in **AB-306** and **AB-205**.

The first day of the event began with an opening ceremony, followed by an insightful talk by **Mr. Prateek Narang, co-founder of Coding Minutes**. Mr. Narang's presentation, focused on his **11 years of industry experience**, concentrated on ways to encourage students to create their **Objectives and Key Results** (OKRs). Day 1 concluded with a **Kahoot quiz** that brightened the atmosphere.

Day two was equally fulfilling, with a hilarious **comedy session** by **Kaif Khan** that left the audience in splits. An **improv game session** concluded the event.

The motivation to learn and gain inspiration was evident among the attendees. The event turned out to be a **huge success** and **provided valuable knowledge**.

IoT UNLEASHED

The **IoT club** of VIT Bhopal organised the event "**IoT Unleashed**" on **9th February 2023** at **VIT Auditorium**. The event had a **hybrid format**, offering the option of both online and offline participation.

The **chief guests**, **Dr. Laxmi D** and **Dr. Prasad** inaugurated the event by **lighting the lamps**. The **Faculty Coordinator**, **Dr. Ankur Jain**, **Student Coordinator**, **Akshat Sinha**, and **Technical Team Lead**, **Uday Rajput**, also spoke at the event and shared their **knowledge** and **experience in IoT**.

The event included a **challenge** to test participants' **knowledge of IoT**, and students subsequently presented their **project ideas** in a **hands-on session**. A **guitar performance** contributed to the event's enjoyable and lively atmosphere.

Participants also **received participation certificates** and **refreshments**. The IoT Unleashed event provided an **opportunity** for students to **gain knowledge**, **network**, and **enjoy** themselves.

ChAI PE CHARCHA

ChAI pe Charcha, an event dedicated to exploring the **latest developments in AI**, was organised by the **AI Club** at VIT Bhopal on **February 8th, 2023**. Enthusiasts and experts came together at **AB515** to attend the event and participate in discussions related to AI.

Attendees sipped on cups of hot tea while **engaging in lively discussions** about **advancements in AI**.

The event also included a small quiz, with the winners receiving gift hampers from the Wagh Bakri Tea group. **Sneha Sarkar (22BAI10350)**, **Abhishek Kumar (22BCE11475)**, and **Disha Katkade (22MIM10055)** emerged as **winners**.

ChAI pe Charcha provided an excellent opportunity to **connect** with like-minded individuals and **discuss** the future of AI. The event showcased the **importance of community** and **collaboration** in advancing the field, highlighting the power of togetherness, and sharing knowledge and insights.

CIRCUIT WIZARD

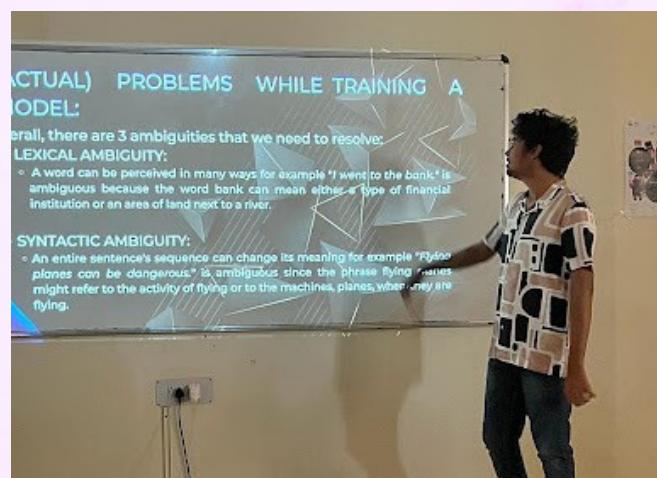

The **Robotics Club** at VIT Bhopal hosted an event called **Circuit Wizard** on **February 10th, 2023**, at **AB103**. The workshop provided a **hands-on session** on **Arduino** and **Tinkercad**. Its primary goal was to **introduce robotics using Arduino** and explain different topics such as **sensors and modules** to the participants.

The event witnessed the **enthusiastic participation** of students interested in learning about robotics and its applications. The Robotics Club **experts taught** and **guided** the participants during the workshop, **sharing their knowledge and expertise**.

The event was a success, with attendees obtaining significant robotics knowledge and experience.

AI BREAKDOWN

On **February 9th, 2023**, the **AI Club** at VIT Bhopal organised a comedy-themed event on technology and AI mishaps called **"AI Breakdown"**. Tech enthusiasts gathered at **AB 205** to **share** their **funniest moments** and **biggest blunders** in the field while indulging in **delicious snacks**.

Attendees shared their amusing **stories** of **technology gone wrong**, providing a lighthearted perspective on a field that can often feel overwhelming. From **software bugs** to **AI mishaps**, participants shared their stories that left the audience in stitches.

The event **successfully** brought **laughter and camaraderie** to the audience, showcasing the human side of technology. It demonstrated that despite all its advancements, technology is still fallible.

VRGC GAMERS ASYLUM 3.0

The **Virtual Reality and Gaming Club** at VIT Bhopal hosted its third edition of **VRGC Gamers Asylum** from **8th to 10th February 2023**. A total of **100 registered participants** took part in a **Local Area Network (LAN)** based **VALORANT tournament** at the offline event.

To perform to their full potential, the participants had access to high-speed Internet. The **champions** of the competition were **Team Fallen Gods**, consisting of:

- **Ripunjaya Tak** (20BCG10015)
- **Mayank Kumar Patel** (20BCG10035)
- **Arindam Goswami** (20BAI10291)
- **Mriganka Dutta** (19BCE10250)
- **Ishan Andola** (22BCE11054)

Team KaramVIT bagged **second** place, which included:

- **Pranav Kumar Vasudeva** (20BCG10119)
- **Harish Sivakumar** (20BCG10008)
- **Hardik Kwatra** (20BCG10072)
- **Malhar Desai** (20BAI10378)
- **Bhuwan Chandani** (21BCE10929)

The event aimed to **inspire students** to achieve greater heights while allowing them to learn more about India's expanding **E-sports** sector.

AAROHAN

On **8th February 2023**, The **Entrepreneurship Cell (E-Cell)** at VIT Bhopal hosted an offline event **Aarohan**, a **three-part business series**. More than **140 students** participated in the event held at the **Auditorium**.

The event consisted of three phases, a **business case competition**, a **business hunt**, and a **business talk**. After completing the first two phases, the **top five teams** presented their **ideas** at the business talk session to the **guest speaker Ms. Rakhi Pal, CEO & COO of EventBeep**.

The event was productive and witnessed remarkable innovations like **Campus Rental Cycles solutions**, **food delivery apps** for Underbelly, **waste food management solutions**, **pharmaceutical services** in college, a **centralized portal** for multiple college clubs and events, and many more.

The event had sponsors and monetizing partners, including **Markoknow** and **Finlatics**. **Team 'Pharmcon'** emerged as the **winner** in the competition, with **Omeal** securing the **runner-up position**. The **Business Hunt**, a **scavenger hunt** with clues hidden across the campus, added an **element of fun** to the event.

ECom-THON

The **E-Commerce club** at VIT Bhopal organised "ECom-Thon: The Idea Marathon" on the **9th of February 2023** in **AB102**. The event was inaugurated by **Dr. Sukumar** and **Dr. Jai Singh W.** and aimed to promote and encourage knowledge of E-Commerce and the basics of **Entrepreneurship** among students.

In the **first round**, participants answered a **quiz** consisting of 10 questions that tested their knowledge of entrepreneurship and e-commerce basics. During the **second round**, contestants **presented** their innovative **business models** to a **judging panel** comprising **Dr. Pon Harshavardhanan**, **Dr. Hariharan**, **Dr. Nikhil Pateria**, and **Dr. Supen Kumar Sah**. In the **final round**, the participants took part in a **debate** discussing practical flaws and real-life challenges related to their opponents' business ideas. The competition **winners** were **Team Twisters**, composed of **Keerti Vijayanandh** (22BHI10189), **Janarthanam** (22BHI10202), **Abdus Shafiq** (22BCG10173).

Team Business League, made up of **Gaurav Gupta** (22BCE10323), **Prakhar Shukla** (22BCE10247), **Aranya Bhaguna** (22BCE11369), came in a close **second**, while **Naveen Praveen** (22BHI10116) and **Juan Joe Edattukaran's** (22BSA10247) team, **Mappillai**, secured the **third** position.

The **winning team**, **Machine Minds** comprising **Shreyash Mohadikar** (20BAI10283), **Yash Ukalkar** (20BAI10197), **Sudhanwa Bokade**, and **Malhar Desai** (20BAI10378), received **INR 6000, trophies**, and other goodies. The Hack Exchange event was an excellent chance for AI enthusiasts to showcase their skills and creativity, gain insights into the latest advancements of AI, and network with like-minded peers.

HACK EXCHANGE

The **AI Club** at VIT Bhopal organised the **Hack Exchange** event, which took place from **February 8th to 10th, 2023**. The hybrid event was conducted across **three locations** within the **academic block**, bringing together a group of AI enthusiasts. Under the guidance of AI Club members, the participants selected a topic and crafted **presentations** on their chosen AI project or solution. Throughout the process, they received ongoing **mentorship** to refine their ideas and improve their understanding of the topic. The presentations were **evaluated** based on the participants' **ingenuity** and **creativity**.

The **Linux Club** at VIT Bhopal University hosted an engaging event titled '**Fortune Says**' on **9th February 2023** at **AB 406**. The event encouraged participants to hone their **coding skills, creative thought**, and **teamwork abilities**.

There were **three rounds** of intense competition amongst the participating duets, each consisting of a boy and a girl.

In the **first round** of the event, teams had five chances to **interpret** their **partner's gestures**. The **second round** challenged teams

to use their **sketching skills** to anticipate words or phrases, much like the popular game "**Skribbl**".

Teams demonstrated their **programming skills** in the **final round** by creating patterns in any programming language of their choice. The team that completed the task in the **shortest amount** of time was declared the **winner**.

The organizers aimed to create a **sense of camaraderie** among attendees and inspire everyone to keep improving their programming and teamwork skills.

BUSINESS MODEL

The **Biz-Whiz Club** of VIT Bhopal organised a **Business Model Competition** on the **8th of February, 2023**, at **AB312**.

The teams participating in the competition were **provided** with a **startup idea**. Participants were asked to **create** a **convincing plan** for turning the given startup concept into a profitable venture and present it using a PowerPoint presentation. **Evaluation** was based on the **quality** of their presentation, **communication**, and **innovation**. These factors played a crucial role in determining the winners of the event.

The first prize was bagged by "**Team Inquisitive**", comprising **Manjot Singh** (22MCA10019), **Alankar Asthana** (22MCA10029). Runners-up were "**Skyhawks**", which consisted of **Reet Tejankar** (21BBA10035), **Sarang Parate** (21BBA10026), **Daniya Tahir** (21BBA10020).

The winners received **exciting prizes** and **recognition** for their exceptional skills in business model development.

ASTREA

Astrea, the flagship event of the **astronomy club** at VIT Bhopal, was held on **February 8, 2023**, and was hosted by **ANTERiX**. The event drew a massive attendance of **350 enthusiastic students**. The event began with an opening address by the **faculty coordinators**, **Dr. Prashant GK** and **Dr. Soumitra K Nayak**, followed by an **enlightening session** on the **basics of telescopes and astronomy** by **Mr. Alok** from the **Aryabhat organization**. Students watched the documentary '**Cosmic Collision**', which delved into the mysteries of the cosmos.

The participants headed **outside** to the **Lab complex** and **Underbelly Square** as the sunset. The organisers deliberately turned off the streetlights to offer the participants a more clear night sky view. The group was well-organised, with each member representing their respective branch to ensure a smooth and enjoyable experience. With the help of **four telescopes**, participants observed **Venus**, **Jupiter**, **Mars**, the **Orion Nebula**, and **M-45**, along with **various constellations**, all brightly illuminated with green lasers.

Each participant received a **ticket** and a **glow stick** as a **souvenir**. Overall, Astronomy Night was an **informative** and **satisfying event** that left participants with a newfound appreciation for the universe.

STOCK OVERFLOW

On **9th February 2023**, the **Data Science Club** of VIT Bhopal organised an offline workshop titled **Stock Overflow**. The workshop focused on **Stock price prediction** using ML and DL techniques, like data pre-processing, feature engineering, model selection, and evaluation.

A "**Stock Price Prediction Challenge**" took place at the end of the workshop to assess the **participant's skills**. Participants utilised their techniques for predicting stock prices of a specific dataset.

Shiwank Singh (22BSA10231), **Harshit Vyas** (22BCE11412), **Anush Jain** (22BCE11022), **Anish Kumar Gupta** (22BCE10453), and **Yash** (22BCE10239) were the **winners** of the challenge.

The Stock Overflow event was a valuable learning experience for the participants that enhanced their **knowledge** and **skills in data science**.

METAMORPHOSIS

On the **9th of February**, the **Malayalam Club** of VIT Bhopal organised **Metamorphosis**, as part of the AdVITya '23 techno-cultural fest.

A **magician** and **illusionist** named **Bharatkrishnan** performed at the event held in the **auditorium**. **Dr. Kamachi Mudali**, the Vice-Chancellor, and other dignitaries attended the show along with **350 students**.

The performer actively **interacted** with the live audience while performing **magic tricks**, **extrasensory perception** and **psychokinesis demonstrations**, **mentalism acts**, **juggling**, **escapism**, and **comedic routines**. The event was a grand success filled with humour and wonder.

DOWN TO A SCIENCE

The **Fraternity of Young Innovators Club** at VIT Bhopal held "Down To A Science," a recent event organised on **February 9th, 2023**, at **AB - 005**. The offline event included three activities, a **Treasure Hunt**, **Poster Design**, and a **Pictionary Game**.

Teams of three to five people searched a specific area seeking **hidden clues** as part of the Treasure Hunt. The **winners** were **Chetan Garg** (20MIM10146), **Raj Mansuria** (20MIM10147) and **Piyush Kumar Sahajwani** (22MEI10072). To participate in the **Poster Design contest**, participants had to use their own supplies to create an A4-sized poster.

Aishwary Singh (22BCE11525), **Simar Singh** (22BAI10012) and **Sarthak Sambhav** (22BSA10162) were the **winners**. The **Pictionary Game** had teams of 3-5 members sketching images on a whiteboard provided by the club. **Ishita Agarwal** (20BCE10239) won the round.

Overall, the event was a great success and provided participants with an enjoyable and exciting experience.

DIGITAL GRAFFITI

The **Linux Club** of VIT Bhopal organized "Digital Graffiti" at **AB 205** on **February 10, 2023**. Students showcased their creativity by creating graffiti designs using digital equipment and Inkscape software.

The winners received **exciting prizes**, while all participants received **certificates** for their efforts and dedication.

The attendees had a wonderful time **unleashing** their **creativity**.

The event provided a **refreshing break** from the **monotonous lives** of students, allowing them to express their artistic side.

AADHAV

The **Tamil Club** at VIT Bhopal organised **Aadhav: The Music Carnival & Laser Show** on the **8th of February, 2023**. The show marked the **first night** of **AdVITYa'23** and witnessed a **massive** and **enthusiastic response** from students.

The event kicked off with Aadhav introducing "**The Bombay Bandooks**" band, who were greeted with **thunderous applause** and **cheers** from the audience. The crowd grooved along with the band, enjoying the live concert atmosphere with their flashlights on.

The **laser show**, which highlighted **the life of engineers**, particularly those at **VIT Bhopal University**, followed the musical performance. The laser show **drew laughter** from the audience as it portrayed **expectations versus the reality** of student life. The show then showcased the various **talents** and **achievements** of the **different states of India**.

The event venue also had several **creative stalls**, including temporary **tattoo-making stalls** and **waffle-making stalls**.

Aadhav was a **great beginning** to the series of night shows in AdVITYa'23.

TECH MYSTERY

On **February 9th, 2023**, The **Coding Blocks Club** at VIT Bhopal hosted an exciting offline event called **Tech Mystery** in **AB-209**. The event aimed to test participants' **technical skills** in a mysterious space. Players had to **decipher clues** and **puzzles** to **catch the culprit** of the devious deed. They had to race against the clock to solve

the mystery, with multiple ends leading to different scenarios. After a day of solving thrilling puzzles and cracking codes, **Nikhil Kumar** (20BAI10275) and **Sahil Arora** (20BAI10264) emerged as the **winners** of Tech Mystery.

UCKERTERRA

On **February 9th, 2023**, the **Ramanujan Mathematics & SAP Club** at VIT Bhopal organised a unique event called **UckersTerra** in **AB-412**. The event was a modified version of the classic **LUDO** game, intended to stimulate the **brain's inactive** and **challenged** regions. Over **300 students** participated in an intense competition, forming **82 teams**.

Branch BCE emerged as the winner, receiving **41 gold medals**, with other branches following suit; **Branch BSA won 7, MIM won 6, BHI won 6, BCY won 5, BAI won 5, BEY won 2, BOE won 2, BCG won 1, BEC won 1, and MEI won 1.**

While many participants were excited to win, those who did not were resilient and eager to re-register for another competition to make up for it. The event, UckersTerra, fostered a sense of community and friendship among all participants while igniting their competitive spirit.

AUCTION ARENA

The **FinTech Club** of VIT Bhopal organised a **hybrid event: 'Auction Arena'**, from the **8th to the 10th of February, 2023**.

The event aimed to provide a platform for students to **showcase their trading and bidding skills** to foster their interest in finance. Over **600 students registered** for the **two-round event** and received **gifts** valued at **Rs. 1000**, which included courses sponsored by "Elearnmarkets."

The first round of the competition, '**Paper Trading**', took place **online on February 8th and 9th, 2023**, where participants traded on the **StockGro App** platform with virtual cash. The **winners** of Round 1 received **cash prizes** worth **Rs. 2100**, and the top **ten teams qualified** for Round 2.

The second round, '**The Auction House**', was held offline on **February 10th, 2023**, at **AB105**.

The **BillBoys team**, consisting of **Aditya Narayan Jha** (22BHI10082), **Ayush Nigam** (22MCA10004), **Shashank** (22BCE10934), and **Ishita Bhatt** (22BHI10008), emerged as the **winners**, while the **Competition Killers team**, consisting of **Divyanshi Vishwakarma** (22BCE10700), **Riya Gupta** (22BCE10353), **Rohan Gautam** (22BCE10658), and **Alankrit Saxena** (22BAI10151), secured **second place** in the "**Auction Arena**" competition. The winners received an **attractive trophy** and **prizes worth Rs. 20,000**, including a course worth Rs. 5000 sponsored by 'Elearnmarkets' for each team member.

Overall, the **Auction Arena** event organised by the FinTech Club of VIT Bhopal proved to be a **successful** and exciting opportunity for students to demonstrate their **trading and bidding talents**.

BATTLE OF WITS

The **English Literary Association** at VIT Bhopal hosted "**Battle of Wits**" in **AB-205** on the **8th of February, 2023**. The event consisted of **two rounds: Fastest finger first and emotional square**.

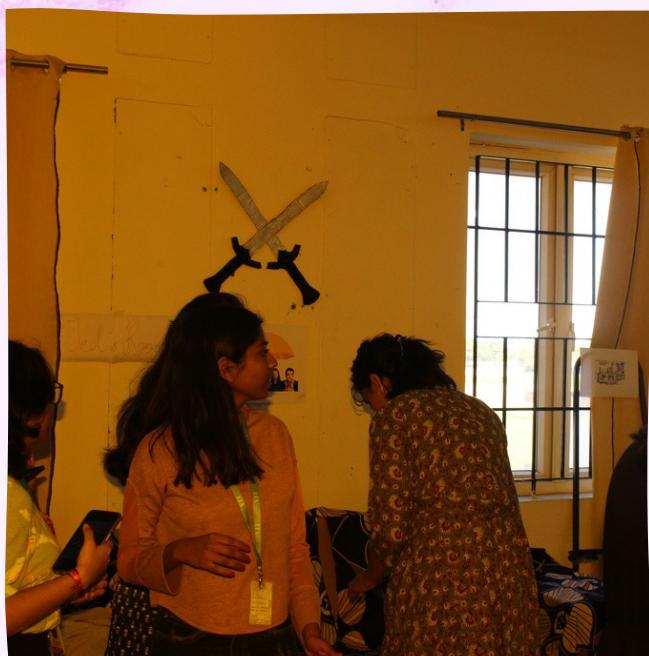

The **First round** tested **participants' quickness** in answering **tough and witty questions**. The **next round** judged the **participants' ability** to **interpret and enact dialogue** and convey them in different emotions. **Debashish Biswas** (22MIM10017) emerged as the **winner** with his exceptional performance in the final round.

The event included a variety of **challenging puzzles**, **brain teasers**, and **trivia** to keep participants engaged and mentally stimulated.

HOW I MET YOUR MURDERER: THE MURDER MYSTERY

The **Fusion Club** at VIT Bhopal hosted an event on **February 10th, 2023**, called **How I Met Your Murderer: The Murder Mystery**. The event of solving a detective mystery was based on the hit **TV show "How I Met Your Mother"**. A crime scene was prepared in a room, and **three teams**, each comprising **five members**, simultaneously entered the room. Their mission was to **identify the culprit** and **the sequence of events**. The event was a massive hit among students, with over **515 participants** showing great enthusiasm and eagerness to test their puzzle-solving skills.

During the event, **Dr. George Chandran**, the director of student welfare, and a few other faculty members visited the room and **appreciated** the organisers' **crowd control strategies** and the **event's novelty**. **Anshika Tank** (22BEY10047), **Khushi** (22BCY10275), **Khushi** (22BCE10230), **Venia Gupta** (22BOE10058), **Binisha Thakur** (22BOE1093) emerged as the victors of the event, with **Srinivas** (22BAS10044), **Animesh** (22MEI10015), **Shubham** (22BOE10118), **Tirthankar** (22BOE10077), **Tsangchup** (22BCY10054) finishing as runners-up.

ROCK 'A' BLAST

As part of the Advitya'23 techno-cultural festival, the **Music and Band Club** of VIT Bhopal brought the house down with its energising event, **Rock 'a' Blast**. The performance, held in the **VIT auditorium** on **February 10, 2023**, included **five bands** performing a variety of **musical genres** to the delight of the music-loving public.

Srujan Sahu (20BCG10026), **Aditya Bhattamishra** (20BCG10001), **Yashasvee Iyer** (20BCG10012), **Debroop Sarkar** (20MEI10078), **Winston Thomas** (20BCY10014), **Pravakar** (20BCE10439), and **Anshul Sathe** (20BCY10204), constituted the winning band, "**Zidd**." The band's musical proficiency and coordination astonished the judges, allowing them to triumph over other outstanding bands.

Rock 'a' Blast was an excellent platform for **musical aficionados** to share their **talents and passion** for music. The event was a successful addition to the Advitya 23 techno-cultural festival, thanks to the efforts of the Music and Band Club of VIT Bhopal.

FORAGERS 2.0

The **D2C Igniters club** and the **Insights Club** at VIT Bhopal, hosted the **Foragers 2.0** event on **February 8th and 9th, 2023** for the batch of 2022. The event was a **sequel** to the successful **Foragers 1.0**, held on **September 19th, 2022**, for the batch of 2021 students. Foragers 2.0 was a **two-day scavenger hunt** across the **VIT campus**, engaging students in fun-filled activities.

The scavenger hunt began on **Day 1**, with teams **completing tasks and challenges** within a **limited time**, including a frog race and road blocking. Teams were ranked based on the number of tasks they completed, with the **top eight teams** advancing to the **final round**.

On **Day 2**, the final eight teams participated in a **treasure hunt**, searching for **hidden pieces of gold** across the campus. The team with the most points at the end of the event was declared the winner and received a prize of **INR 25,000**, along with **certificates** and **refreshments**.

Foragers 2.0 provided students with a platform to showcase their **teamwork** and **problem-solving abilities** through engaging activities like **sports, music, and dance**. The event had a massive turnout, with **85 teams participating**, making it a huge success.

Overall, **Foragers 2.0** was a great example of how **exciting events** can **unite** students to **contribute** their **skills** and **abilities**.

PITCHERS 1.0

On **February 9th, 2023**, the **Biz-Whiz Club** at VIT Bhopal conducted **The Pitchers 1.0** event at **AB205**. It was an **offline event** where participants received various **products and services** to **pitch** to a panel of judges. To choose the winner, the judges evaluated the pitches using predetermined standards.

Manjot Singh (22MCA10019) won the **first prize**, while **Isha Rani** (22BCE11410) was the **runner-up**.

The **Pitchers 1.0** participants had a platform to experiment with **different pitching strategies**. Students showcased their **abilities** and **inventiveness** in front of knowledgeable judges. The event tested the **participants' pitching skills, ability to communicate and presentation of their ideas**.

MR. & MS. GLAMVIT

The **Gujarati Club** of VIT Bhopal held a captivating event named "**Mr. & Ms. Glam VIT**" on **February 8, 2023**. The event received an impressive response of more than **400 attendees**.

Ms. Kashish Kher, the **First Runner-Up** of **Miss Madhya Pradesh 2022**, graced the event as the honourable judge. The participants competed for **twelve titles** during the **two rounds** of the **ramp walk competition**.

The winners of the event were :

- **Kartavya Chaudhary** (22BHI10199) for **Mr. Glam VIT**
- **Tushita Jain** (20BOE10053) for **Ms. Glam VIT**
- **Dyutin R** (20BCG10060) for **Mr. Retro**
- **Nilanjana Sen** (22BOE10054) for **Ms. Retro**
- **Sourodeep Kabiraj** (20BCE11070) for **Mr. Ethnic**
- **Vrushti Patel** (22BCE10554) for **Ms. Ethnic**
- **Aditya Sarkar** (22BCE10644) for **Mr. Smart**
- **Yashi Goswami** (20BOE10072) for **Ms. Smart**
- **Suboor Khan** (20BCY10025) for **Mr. Stylish**
- **Charitha Gadari** (20BCE10816) for **Ms. Stylish**
- **Sahaj Singh** (22BCG10132) for **Mr. Cool Janta**
- **Chetna Bhagwan** (20BCE11091) for **Ms. Cool Janta**.

The fashion show was a **memorable occasion** for everyone involved and marked a milestone for fashion enthusiasts at VIT Bhopal.

BAND BAJA BOLLYWOOD

The **Ekfraseis Dramatics Society** at VIT Bhopal hosted the "**Band Baja Bollywood**" event in the auditorium on **February 9th, 2023**. The university event was organised for Bollywood enthusiasts, who were encouraged to **dress up** as their **favourite Bollywood character** and choose a backing track to walk onto the stage. Many participants went above and beyond by performing their **character's signature dance moves**, incorporating **dialogues** with the backing track, and **lip-syncing** famous lines.

The positive audience response prompted organisers to ask the **top six contestants** to present their acts again. After the thrilling final performances, judges announced the winners. **Aman Kumar** (22MCA10009) secured the **top position**. **Himja Gagroo** (20BOE10084), **Adina Nizam** (20MSI10006), and **Yashi Goswami** (20BOE10072) came **second**, with **Chandrika Sharma** (20BCE11032) finishing **third**. Overall, the event was a **huge success**, with both participants and spectators enjoying themselves.

CROSS THE HURDLE

The **Cognitive Mind Fitness Club** at VIT Bhopal organised the "**Cross The Hurdle**" event on **February 9th, 2023**, in the open space of the multi-purpose hall.

The event comprised seven to eight **small challenging tasks**, which included fun **physical activities** like **Squid Game, Hurdle Race, Cup Tower, Marathon, Musical Chair**, and more. The organisers tested the **participants' cognitive abilities** and **fitness levels** through various games.

Anvaya Arsha (22BHI10200), **Akshat Agrawal** (22BCE10745), and **Javed Ahmad** (22BHI10159) emerged as **winners** in the **boys' division** of the event. **Parinati Gaur** (20BAI10149) and **Khushi Pandey** (22BSA10164) secured the **top positions** in the **girls' category**.

The event was **exciting** and **challenging**, as it left the participants invigorated and motivated.

SARGAM

The **Music and band Club** at VIT Bhopal hosted **Sargam 2023** on **January 8th, 2023**, at the **VIT Playground**. It was a solo/duet singing competition with **10 duet performances** and **16 solo performances**.

The thrilling performances of competitors covered a spectrum of musical styles and left an impression on the judges. **Disha Chakraborty** (22BAI10008) and **Soofia Khan** (22BCE10191) won the **first position** and earned **certificates** and prize money of **INR 10,000**. **Shreyaskar Pandey** (22BCE10092) and **Aditya Saraswati** (22BCG10163) secured the next spot and received **certificates** and **INR 5,000** as prize money.

Sargam 2023 was a **success**, allowing students to display their musical prowess and explore different genres of music while showing their competitive side.

DARPARAN

The **Ekfraseis Dramatics Society** at VIT Bhopal hosted their highly anticipated event **Darpan**, a stage play competition, in the **Auditorium** on **February 10th, 2023**.

During the competition, **eight teams** showcased stage plays of different genres, ranging from classical to comedy to melodrama. The **teams** were given a **performance time of 25 minutes** and were allowed to have up to **ten actors** in their act.

The teams exhibited remarkable **acting abilities**, posing a difficult challenge for the judges to make a final decision. The competition's **top-performing teams** were '**Andha Paisa**' and '**The Wrong Turn**'.

One of the **winning teams**, '**Andha Paisa**', emphasised the **significance of lawful and ethical** means of earning wealth. In contrast, '**The Wrong Turn**', portrayed **a tale about a boy** who lost everything due to his **drug addiction**.

The remaining teams also worked hard to deliver a social message through their performances, which was well-received by the audience, leaving them mesmerised.

The winners of the competition were:

- **Avyaan Verma** (22BCE10007)
- **Priyvratt Singh** (22BCE11325)
- **Taranpreet Kaur** (22BCE10451)
- **Vedansh Sood** (22BAI10157)
- **Mridul Chawla** (22BAI10007)
- **Aman Kumar** (22MCA10009)
- **Hriday Gurnani** (22BCE10241)
- **Anchal Kumar** (22BAI10333)
- **Suryaprataj Singh** (22BCE10529)
- **Prince Choudhary** (22BCE10837)
- **Yash** (22BAI1030)

The runners up of the competition were:

- **Vansh Sharma** (22BAI10222)
- **Sarthak Goyal** (22BEY10098)
- **Kabir Sattyani** (22BCE10063)
- **Asmita Sakhare** (22BSA10007)
- **Mahi Priyadarshi** (22BCE10717)
- **Ajit Dixit** (22BCE10954)
- **Ishika Wadagbalkar** (22BCE11268)
- **Rituraj Pandey** (22BCE11423)
- **Mohit Jhajharia** (22BCE10656)
- **Vinayak Bhanwar** (22BCE11478)
- **Raunak Gupta** (22BCE11186)

DANCE TOUR

The VIT Bhopal **Dance Club** organised **Dance Tour - Beyond the Competition** on **9th February 2023** at the **football ground**. The event featured **two sets of performances** that showcased the rich and diverse dance forms of Indian culture and heritage.

The **first half** was a **fusion of dance styles** from Indian states such as **Maharashtra, Andhra Pradesh, Karnataka, Kerala, Rajasthan, Punjab, and Sufi** dance forms.

The **second half** featured **Bollywood songs** presented through **classical dance** styles like **Kathak and Bharatnatyam**.

The **finale performance** had a theme of **human emotions** and left a profound impact on the audience. The **VIT Bhopal Dance Club** successfully showcased the **beauty and richness of Indian culture** through the diverse dance forms presented during the event.

ART RUN

On **February 8th, 2023**, the **Fine Arts Club: Meraki** at VIT Bhopal held a creative event named **ArtRun**. The event commenced with a **three-legged race**, highlighting **students' teamwork** abilities, followed by a **clue-based scavenger hunt** directing participants to their next challenge. Students then exhibited their artistic talents by **sketching VIT Bhopal's landmarks** within the given time and **receiving clues** for their next destination. Participants then had to **search for coins** with different point values and submit the one with the highest value. A **blindfolded coin hunt** followed, in which losing teams had to locate the same coins on the floor. Participants then **painted masks** with a **riddle** as a reference before receiving the final task. After much deliberation and deciphering, the finalists **decoded the clues** and **raced to the secret room** containing the **ultimate hidden pirate treasure**. The **winners** of the event were **ArtX, TeamCore, NaanKhatai, and Aerostrokes**. The event concluded with **prize distribution** and **refreshments**, providing participants with a memorable experience.

FOOD TRUCK

On **February 11th, 2023**, VIT Bhopal's Cooking & Feasting Club held a **Food Truck event**, providing students with an exciting opportunity to **experiment** with **diverse flavours and textures** while expressing themselves through food. The club aimed to develop the **student's team coordination, leadership, and stall management skills**.

The event was a **great success**, with participants enjoying the process of cooking tasty and fun dishes. It provided a fantastic platform for students to **showcase** their **culinary and business skills**, as well as for the wider community to appreciate their talents.

GAMES MELA

The **Telugu Club** at VIT Bhopal recently hosted a fun-filled event called **Games Mela** from **8th to 9th of February**. Students could participate and compete in any of the five mentioned games throughout the event: **Push-up challenge, Arm wrestling, Rubix cube 3x3 & 5x5, Bottle flip, and Water & Cups**.

The participants had a chance to take a **break from their daily routine** and felt **refreshed** after attending the event. The Telugu Club plans to organise more exciting events in the future to keep its members excited and energized.

OTAKU MANIA

The **Anime Club** at VIT Bhopal hosted **Otaku Mania**, an anime trivia event, on **February 2nd, 2023**, in **AB 205**. The event aimed to **test participants' knowledge** of their favourite **anime shows**, such as Dragon Ball Z and Pokémon, while **promoting awareness** of **diverse cultures** and **values** like camaraderie and equality. Participants enjoyed showcasing their **anime expertise** by answering trivia questions of varying difficulty levels.

Otaku Mania was a **massive success**, drawing in anime enthusiasts from across the VIT Bhopal community to showcase their love and knowledge of anime.

The **Sports club** conducted a **sports tournament** in the **AdVITya '23 fest**. The championship was held from the **1-7th March 2023** and witnessed **fierce competition** in various sports categories. **Dr. Prashant Tiwari, the faculty coordinator**, provided **expert guidance** in organising the event.

The tournament featured **cricket, football, table tennis, basketball, volleyball, and weightlifting championships**.

CHESS

During the event, the Chess Team Championship was organised, and witnessed enthusiastic participation from students. **Team Sonic** led by **Pratham Amit Singh** (22BCE10959), won the chess championship.

BADMINTON

The **Badminton tournament** held as part of the Sports Fest from **3rd-7th March**. Intense rallies and skilled shots filled the air as college athletes battled it out in the thrilling badminton competition at the Multipurpose Hall. **Anirudh's** (20BAS10041) **Team Arrow** emerged **victorious**, while **Aalok Khandali's** (20BCE10187) **Team 'Mudit'** put up a good fight as the **runner-up**. The tournament promoted sportsmanship and camaraderie among participants.

TABLE TENNIS

The **table tennis tournament** was held during the Sports Fest on **3-7th March**, at **AB-418 Academic block**. The event witnessed some spectacular rallies and quick reflexes, with players showcasing their agility and precision. The tournament's knockout round featured randomized pairing and fixture arrangements, where a single loss led to immediate elimination from the competition. **Rohan Singh** (20BET10005) emerged as the **winner**, while **Tanmay Meda** (22BSA10122) finished as the **runner-up**.
